## A COMPLETE ECOMMERCE/OMNICHANNEL SOLUTION

Growing an efficient, profitable omnichannel business takes more than software.  
Your technology and service partners matter.

Americaneagle.com builds and hosts premium websites for businesses, associations, government, and Fortune 500 companies.

### WEBSITE DESIGN

Conception, strategy, design and implementation.

### ECOMMERCE CHOICE

Integrate with ROC, Magento or BigCommerce to turn traffic into conversions.

### HOSTING AND SECURITY

Customized, managed hosting services for customers of any size.

### POST LAUNCH SUPPORT

Supported by a team that balances fast, reactive assistance with personal and knowledgeable proactive services.

Circle Commerce combines industry-leading strategy, development and design with flexible and affordable omnichannel ERP software.

### CHANNEL MANAGEMENT

Integrate all channels into a single system— ecommerce, call center, shopping channels (Amazon/eBay/etc.), wholesale, and POS/retail.

### OMNICHANNEL ERP

Full solution, from CRM through orders, products, purchasing, WMS, and financials.

### EASILY CONFIGURABLE

Infinitely adaptable to your specific needs now and in the future.

### VERSATILE IMPLEMENTATION

Cloud or on-premise, license or subscription models.

### SERVICE-ORIENTED APPROACH

Work with one dedicated team throughout design, development and integration, acting as an extension to your organization.

In partnership with Atticus Digital Marketing and American Eagle's post-launch services team, leverage your stack's potential to grow your business.

### ANALYTICS & CONVERSION OPTIMIZATION

Understand what's working, what's not, and why with expert Google Analytics installation, configurable Circle Commerce dashboards, customized reporting, benchmarking, analysis and planning.

### DIGITAL MARKETING MANAGEMENT & SERVICES

Services to support your internal marketing team, including ecommerce SEO, paid search management, content marketing, social media, A/B testing and more.
